Introductions

Within this document you will find our charges which we have produced for the period from 1st April 2024 to 31st March 2025 and is one of several documents approved by Ofwat which explains the services that we

provide. More information about us can be found at icosawater.co.uk. You can find details of how to contact us on page 13.

Services

Icosa Water Services Ltd (Icosa Water) provides water services to the inset network which comprises of domestic and commercial dwellings. Wastewater services are provided by Anglian Water.

Our Charges

Our charges for water, drainage and sewerage are regulated by Ofwat and will not be any higher than they would be if your property was being supplied by Anglian Water. Water legislation requires that water companies charge domestic customers in accordance with a Charging Scheme.

Charges to commercial customers may however be made by agreement rather than in accordance with a Charges Scheme, subject to these charges being approved by Ofwat.

We reserve the right to make retrospective adjustments where we discover that a customer has been billed incorrectly for all or part of their service. If the adjustment is in the customer's favour, we will always make a retrospective adjustment. If the adjustment is in our favour, then we may make an adjustment to your bill unless there is evidence of an avoidable error on our part.

Metering

If your property is unoccupied the water meter will record that no water is being consumed and only standing charges will be applicable.

Charges will accrue regardless of whether the property is occupied or not unless a written request is made by the account holder to turn off the supply.

We aim to read all of our customer water meters at least once annually. If you receive an estimated bill, you can provide us with the correct meter reading by calling us on 0333 000 0113 or submit it online to the email address on page 13. We will then send you a revised replacement bill.

If you have received a large bill as a result of a leak you may be entitled to a leakage allowance. Details of our leakage policy can be found in our Code of Practice on Leakage which can be found on our website.

Standing charges

Standing charges (also known as fixed charges) are calculated on a daily basis and apply from the date of connection to our networks. Standing charges are based on our published tariffs on page 9 (unless agreed otherwise for commercial customers).

Volumetric charges

Volumetric water charges are calculated from readings from our water meter or where we do not have a reading an estimate will be used.

Other tariffs

We offer an alternative tariff for metered domestic homes that may experience particular hardship and need to use large amounts of water. This tariff is a fixed charge.

It is essential that you provide the appropriate documentation with your application when applying for this tariff.

Please note that it may also be necessary for us to contact appropriate authorities e.g. the Benefits Agency, Inland Revenue or a medical

practitioner in connection with the information that you provide in order to validate your application.

We will treat all information in the strictest confidence and will not use it for any other purpose. You must inform us immediately if you cease to qualify for this tariff.

Watersure tariff

WaterSure provides financial assistance to household customers with a water meter who use large amounts of water for essential purposes. You may be eligible if you or any member of your household receives any of the following benefits/tax credits:

- Child Tax Credit (other than just the family element)
- Housing Benefit
- Income Support
- Income based Job Seeker's Allowance

- Income related Employment and Support Allowance
- Pension Credit
- Universal Credit
- Working Tax Credit

There should be 3 or more children under the age of 19 living at the property for whom child benefit is being claimed, or someone in the household should have been diagnosed with one of the following medical conditions:

- Desquamation (flaky skin disease)
- Weeping skin disease (eczema, psoriasis, varicose ulceration)
- Incontinence
- Abdominal stoma
- Crohn's disease
- Ulcerative colitis
- Renal failure requiring home dialysis (except where the health authority contributes to the cost of the water used in dialysis)
- Any other medical condition that uses significant volumes of water and can be supported by a doctor's certificate

For more details or to apply download the WaterSure application form available on our website at [icosawater.co.uk](https://www.icosawater.co.uk) or call our customer services team on 0333 000 0113.

Assessed Measured Charges

Where it is not reasonably practical to fit a Meter or to fit a Meter would involve unreasonable expense, we may offer an Assessed Measured Charge as detailed.

The Assessed Measured Charges will be based on the appropriate Measured Tariff (i.e. Standard Measured) which would have applied if a Meter had been fitted, taking account of the likely occupancy.

Who regulates us?

- ✓ Defra
- ✓ Ofwat
- ✓ CCWater
- ✓ Environment Agency
- ✓ Drinking Water Inspectorate (DWI)

If you would like to know more about Icosa Water our other sites you can visit our website [icosawater.co.uk](https://www.icosawater.co.uk) for further information

Moving home

Please contact us as soon as possible if you are moving home. We require at least 5 working days' notice by telephone or 10 working days' notice by letter to produce a final bill from receipt of your final meter read received from you.

When you inform us that you are moving out, you can either agree to provide us with a meter reading or allow us to use an estimated meter reading to calculate your final bill.

If you fail to provide an accurate meter read you will remain liable for all charges until the first to occur of:

- 28 days after we find out you are no longer at the premises
- the new occupier informs us that they have moved in and are now responsible for paying water charges
- the date the meter is normally read.

Once we've got all the information we need, we'll send you your final bill within 6 working days. If there's a credit on your account we'll either transfer your credit to your new account, or process a refund within 10 working days, depending on the amount we owe you and the way you made your payments.

Mixed use premises

Mixed use premises are premises that are used partly as a person's home and partly for business purposes and which receive a single supply of water.

If the premises are being used primarily for business purposes, our commercial tariffs will apply to you as if the whole of the premises was non-domestic premises. For our commercial tariffs please contact us on 0330 111 0780.

Liability for charges

The occupier of the property (whoever is living in the property) is normally responsible for paying water and sewerage charges unless any other person is liable (i) under the Water Industry Act 1991 or under any other Act of Parliament, as the case may be or as may otherwise be agreed by us in writing.

Charges are applicable when a supply of water is made available to the premises, regardless of whether or not the supply is used.

The occupier is liable for charges applied to each and every connected water and sewerage service point where a service is provided by us. If more than one person shares a property, everyone is responsible, even if the bill is only in the name of one occupier. All occupiers are jointly and severally liable, meaning that we can recover its charges from any one or all of the occupiers.

In the case of two premises being supplied by one meter, the occupiers of each of the premises supplied through that meter shall be jointly and severally liable for the whole of the charges calculated by reference to the water passing through that meter.

Tenants

If you're a tenant, you are responsible for paying the bill, unless your landlord has made another agreement with us. If there is no such agreement or we have not received written confirmation from the landlord that they are responsible for the bill, you will be responsible for paying the bill. In some cases, we will hold you and the landlord jointly

responsible. This happens if the landlord has failed to provide us with certain information that they are required to provide to us.

Local authority tenants

If you rent a property from the local authority, they may collect the charges on behalf of Icosa Water Services. This means your rent will include your water charges. If you don't pay the charges part of the rent for any reason, the landlord may take legal action against you. You will remain responsible for any bill that is not included in your rent.

Value added tax

VAT is applied to in accordance with prevailing HMRC legislation to water charges (including water for construction) to customers whose industrial activities are defined within divisions 1-5 of the Standard Industrial Classification List 1980 (SIC). Sewerage charges are zero rated for VAT.

Security deposits for non-domestic customers

We may insist on the payment of a security deposit or other form of security in certain cases to cover payment of future charges. Such a demand may be made where a credit checks reveals there is no credit history for the customer or a risk of non-payment or late payment.

The amount of the security deposit will be equal to two times the amount for a normal billing period. The requirement for a deposit or other form of security may be reviewed by us periodically or at your request should changes occur in your usage, occupation or your credit rating.

Bankruptcy

If you are granted an Order for Bankruptcy which encompasses a water and sewerage charge debt, the debt will be limited to the charges that are outstanding as at the date of the Order for Bankruptcy, we will recover any water charges that may accrue from the day after the Order for Bankruptcy as if the property had been newly occupied on that day.

Debt recovery

We understand that it can sometimes be difficult to manage your financial outgoings. If you're having problems paying your bills we are here to help. Please contact us as soon as possible to discuss alternative payment options.

If a household bill is not paid by the due date or if you default on your agreed payment arrangements, we will issue an appropriate warning reminder notice. If the bill remains unpaid we reserve the right to cancel payment arrangements and the whole of the outstanding debt will become due.

We will take appropriate enforcement action to recover the debt. We will also apply to the court for interest to be added from the date payment was due to be paid at the standard County Court rate if debt recovery proceedings are issued through the court.

We will recharge all third-party costs to you that we or our agents incur in the collection of outstanding debts.

This includes solicitor's costs, court fees, enforcement and warrant costs where legal action is taken.

We will send reminders where payments are overdue. We may refer your account to a debt collection agency, working on our behalf, to determine your circumstances and/or to collect the outstanding charges. Before doing so, we will write to you giving you the opportunity to pay the debt in full and avoid a referral being made.

Payment options

By Direct Debit

If you choose to pay monthly, we will work out how much you need to pay each month and adjust this where necessary to ensure that you are paying the correct amount to cover the charges for your consumption.

The Direct Debit Guarantee means we will notify you at least 10 working days in advance if the amount you are paying or the payment date needs to change. If an error is made by either us or your bank or building society you will get a full and immediate refund from your branch.

You can cancel a Direct Debit at any time by writing to your bank or building society – please send us a copy of the letter so that we can manage your account and help you to prevent any arrears.

By Post

You can pay your bill by cheque either in full or by agreed instalments. Please make your cheque(s) payable to Icosa Water Services Limited and post with the remittance slip on your bill to:

Icosa Water Services Limited
Sophia House
28 Cathedral Road
Cardiff
CF11 9LJ

Consequence of Non-payment of Account

Where payments fail which requires intervention by Icosa Water to resolve the payment, a charge will be made for this activity in the following cases:

- (i) Cheque payment that have to be referred back to the account holder: £17.75
- (ii) Unpaid Direct Debit / Credit Card Transaction: £5.20

By Credit/Debit Card

We understand that it can sometimes be difficult to manage your financial outgoings. If you're having problems paying your bills we are here to help. Please contact us on 0333 000 0113 or email us at billing@icosawater.co.uk as soon as possible to discuss alternative payment options.

Call us on 0333 000 0113 to use your credit/debit card to pay over the telephone. You can also arrange to pay by telephone in monthly instalments using your credit/debit card. Credit card payments are subject to an administration handling fee to cover card company charges.

By Online Banking

Please use the following details to pay your bill via your own online banking services:

Our bank: HSBC
 Our account number: 81029932
 Sort code: 40-11-60

Please quote your customer reference found on your bill on all online banking transactions.

WaterDirect

If you receive income support, job seekers allowance, pension credits, or Income Related Employment and Support Allowance from the Department for Work and Pensions, you may be able to arrange to make payments directly from your benefit under WaterDirect. This only applies if you are in arrears with your water bill. Please contact DWP for more details and make sure you let us know.

Infrastructure Charges are charges that are payable for the connection to a water main or a public sewer of premises which have not at any previous time been connected to a water main or public sewer. This is not limited to homes. It is payable where water will be used for domestic purposes, that is for drinking, washing, cooking, central heating, and sanitary purposes.

The Infrastructure Charge is payable by the person requesting a connection to Icosa Water's water mains and/or sewers. Further

information on Infrastructure Charges may be obtained by emailing us at developerservices@icosawater.co.uk.

Infrastructure charges Domestic Measured Tariffs

Commercial tariffs

We offer a number of different tariffs, for further information, please contact us at retail@icosawater.co.uk or 0330 111 0780.

Complaints

Did we meet your expectations?

Initial contact - We aim to get things right first time, but if things do go wrong, we'll fix them quickly for you. The quickest way to contact us is via telephone.

For operational queries just call a member of our friendly Customer Service team on 0330 111 0780, for billing queries please call 0333 000 0113.

Stage 1 - If you are not happy with the resolution or need further help you can email or write to us. We will provide a response within 10 working days from the date we receive your contact. Sometimes it can take longer than this to fully resolve a complaint, particularly if the problem is complicated, or we need to visit you before we can get everything resolved. If this is likely to happen, we will contact you and explain why.

Email: customerservices@icosawater.co.uk

Address: Sophia House 28 Cathedral Road, Pontcanna, Cardiff, CF11 9LJ.

In the unlikely event that we fail to meet this timescale, we will credit your water services account with a payment that is equivalent to that offered by the upstream regional water company for the area. If we fail to credit your account within 10 working days, you will be entitled to an additional penalty payment credited to your account.

Stage 2 - If you are still unhappy with the outcome or the way your complaint was handled, you can write to us and ask for one of our managers to carry out a review.

Stage 3 - If you remain dissatisfied following our final review, your issue is over eight weeks old or you just want some free, trusted, independent advice, you can call the Consumer Council for Water (CCW).

CCW are the independent voice for water consumers in England and Wales.

Telephone -0300 034 2222 (England) / 0300 034 3333 (Wales)
Website - www.ccw.org.uk/contact-us
Address -23 Stephenson Street, Birmingham B2 4BH.
